Certification of capability

We hereby certify that the company PRODECCAD CNPJ 69.324.036/0001-27, Miguel Rachid no 766, São Paulo Brazil delivered professional service and assistance during the layout and prototyping phase of our project. All deliverables have been delivered in due time and met our quality requirements. During the service PRODECCAD engineers have been very helpful and implemented design changes quickly.

For future projects we will continue working with Prodeccad.

Dipl.-Ing. Thomas Ruschival
Coordinator Embedded Systems Engineering
